- Children and Teens: SPONSORSHIP OPPORTUNITY AVAILABLE

- Welcome Center: SPONSORSHIP OPPORTUNITY AVAILABLE

Sharia's Closet has recently benefited from an expansion by the establishment of our second location here in the College Area. With our second location, we have gained approximately 1,000 sq. feet of space that we would like to spice up, with 6 rooms (8x10 to 12x10 each) that are in need of sponsorship; we would like to arrange them similar to a garment store, displayed in an organized-nice-looking way, clothes, shoes, and accessories in an efficient way saving the most space possible. I have included recent photos of the Infant-Toddler room that has been sponsored by SDSU's Kappa Epsilon Psi Military Sorority Incorporated.

Our program relies on your generosity and the kindness of individuals, local businesses, service groups, and churches. Because of San Diego's generosity and kindness, families, students, parents, and people from all walks of life can unite under a goal to uplift our community.

Please don't hesitate to reach out to me so we can discuss these opportunities in further detail.

Sharia's Closet is a 501(c) 3 nonprofit volunteer based organization. The objective of Sharia's Closet is to serve individuals and families in our community by connecting those in need with clothing, shoes and other items from our gracious donors. We serve people in need who are experiencing: emergencies due to natural disasters, victims of domestic violence, homelessness, teen pregnancies, job loss, mental illness including PTSD, human trafficking. We also provide individuals the necessary professional attire to attend work/interviews.

3rd Semi-Annual Volunteer Day
