Year in Review

Shamine Linton - President/CEO

First of all, thank you to all Sharia's Closet Board members, committee members and volunteers for all your hard work during a year of transition with our move to rent a building to solidify our future. Reflecting back in 2017, in late August Bank of America partnered with CONNECT2Careers (C2C) to create internship program, providing subsidized wages for 25 military-connected young adults (including young veterans and children of military families) to complete 40-hour internships. Through this program Sharia's Closet was able to get five interns. It was a great experience for the closet.

A special thanks to Peaches Huff-Tunstall and the Kappa Epsilon Psi Military Sorority, Inc. San Diego, CA for the wonderful job you all did on the infant and toddler room. We were delighted with the presentation and especially appreciated your suggested modifications. The extra time and effort you put in were certainly worthwhile. It is a joy for me to work with such a dedicated and talented group.

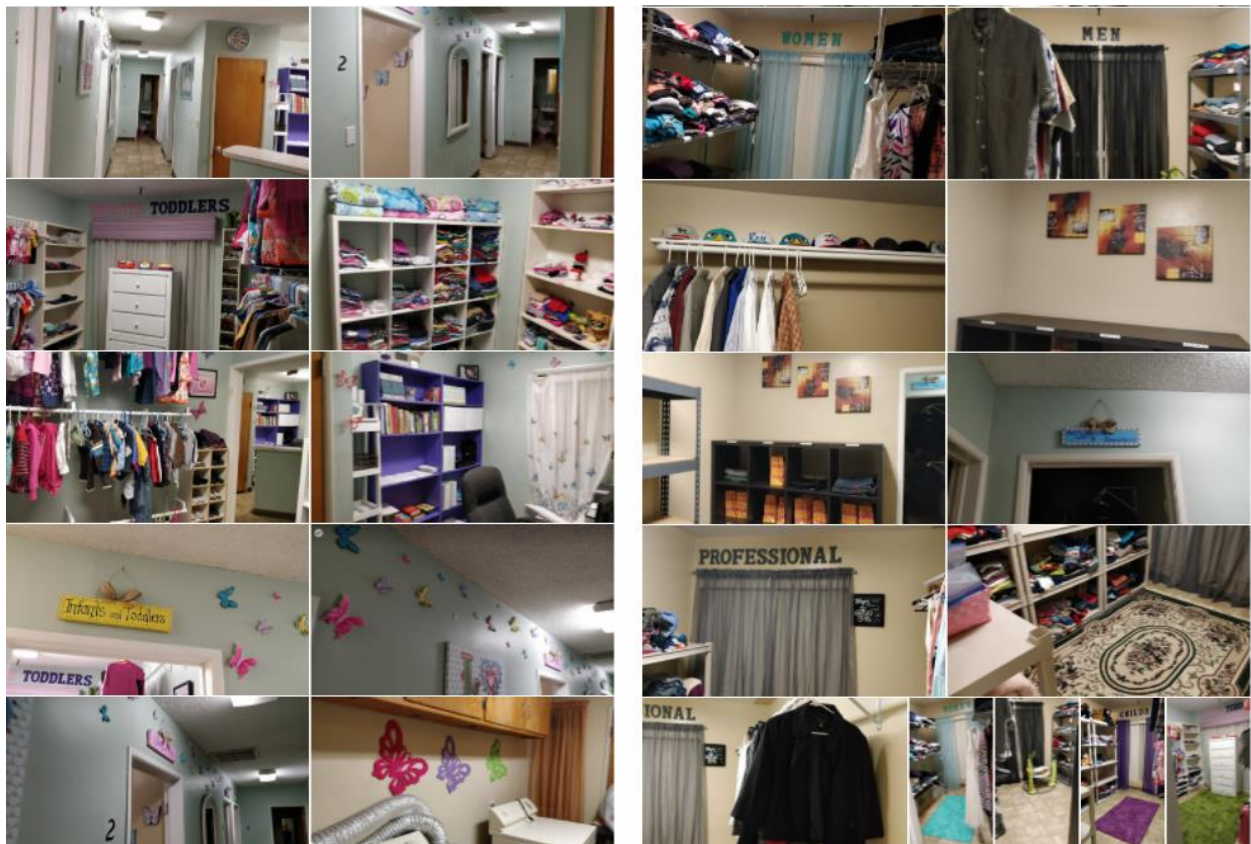

Sharia's Closet has been blessed by the involvement of many dedicated volunteers, who have shared their skills, time, energy, ideas, muscles, brainpower, hearts and so much more. In the most practical sense, volunteer support means that we can continue to meet our client's needs, be more efficient and effective.

Volunteers are the backbone of Sharia's Closet. Our success is your success!

Sharia's Closet rent a building in the college area on El Cajon Blvd. in early part of September which gave us our own office space and board meeting area...mission accomplished!

The intended consequence was to increase our interaction/communication which was evident from the first week and will continue to drive efficiencies in our organization.

Referrals have been growing none stop since the start of the year and we have been busy trying to keep up. Sharia's Closet also had its 3rd Semi-annual volunteer day in late September it ran from 10am until 3pm. Wow!!! We had a great turn out. To all the Volunteers and Interns a Special Thank you for supporting Sharia's Closet mission.

Sharia's Closet donated clothes to victims of the Northern California wild fire. Thanks to Shani Anderson in October.

In November we had our 2nd annual fundraiser, Taste of the Season, at Tubman Chavez. This event provides an opportunity to acknowledge the important work happening at Sharia's Closet and generates crucial donations to support our operations throughout the entire year.

Sharia's Closet 2nd annual fundraiser, Taste of the Season was a success. The day ran smoothly, guest seemed to enjoy themselves, everyone had many good comments, and overall the day was a success.

Some of our DONORS

Sharia's Closet fundraiser is a huge event and it wouldn't be possible without the assistance of countless people who help prepare ahead of time, work during the event itself, and clean up afterwards. It truly is a community event from the committee planning it to the people working it. Thank you for helping to make the day possible!

The vision and mission of Sharia's Closet is becoming clearer than ever before and will be discussed in our first board Meeting in 2018. It takes a village and we have a great one! I am looking forward to 2018...
